

Blake R. Thaxton

Extension Agent I, Commercial Hort.

(850)623-3868

bthaxton@ufl.edu

6263 Dogwood Drive

Milton, FL 32570

Educational Program Focus:

- **Gulf Coast Small Farms & Alternative Enterprises**
Provide hands on production and marketing education for fresh market fruit and vegetable producers. Methods include seminars, workshops, field demonstrations, field visits and the diagnosis of plant disorders.
- **Green Industry**
- Provide educational programming for members of the “green industry” including nurseries, garden centers and over landscape installation and maintenance firms. Programming includes pesticide training, best management practices, and diagnosis of plant disorders.
